PROFILE

I am a graduate with a degree in Computer engineering and I am passionate about the tech industry. My academic background has equipped me with strong skills in programming and UI/UX design. I excel in competitive, efficient, and quality-driven environments and I am eager to leverage my skills and education to drive growth and deliver outstanding results in the tech industry.

EDUCATION

BSc. Computer Engineering

January 2021 - September 2024

Kwame Nkrumah University of Science and technology, Kumasi

W.A.S.S.C.E (General Science)
